

10th January 2021,

Dear Member,

Here below is what the College of Fellows is doing in readiness of the 4th February 2021, Special General Meeting and Elections

Submission of Agenda Items

Members are requested to submit items to be included in the SGM agenda, by **15 January 2021**. Such matters should be submitted to the Chairman of the CoF on **mrambaj@hotmail.com**

Validation of the Voters Register

The College of Fellows has embarked on the process of updating and validating the membership register. In this regard, each member is requested to log into their individual portal on the PRSK website and update their membership information by **12 January 2021**. This will enable the College verify and update the membership categories by **14 January 2021**.

The Voters Register will then be posted for members' scrutiny, before being closed and handed over to the elections board on **21 January 2021**.

Update of the Mailing List

Members are requested to update their contacts on their individual portals by **12 January 2021**. An updated mailing list – both telephone and email- will then be developed and tested to ensure all members receive communication from both platforms. The College of Fellows is providing oversight in this process.

Audit/Testing of the Voting System

The College of Fellows will audit the voting platform to ensure it is transparent, auditable and verifiable. A final dry run will be carried out by the College before the elections.

We urge all members to familiarize themselves with the PRSK Constitution to ensure compliance with the appropriate clauses.

Mr John Mramba, FPRSK
Chairperson, PRSK College of Fellows
